Set 10 Book 2

Focus Sound: ai/\_ay

Pam and Beth have twin hair. They have the same hair do. They set their hair up, up, up on top. Their hair is way up in the air. It tilts to the side.

Jean does not do her hair. She lets her hair sway this way and that way. Her hair is free like the wind. Jean's mom does not like to brush Jean's hair.

Tom has stray hair. His hair will not stay in one spot. He can brush it. But still, at least one hair will pop up. Tom must spray his hair to keep it flat.

Jess has hair as long as a tail. Her hair is past her waist. She braids her hair. Jess's braid is very long. There are lots of ways to do hair.

What hair craze do you like best? The End.
