By: B. Marker

Set 11 Book 2

Focus Sound: oa/ow

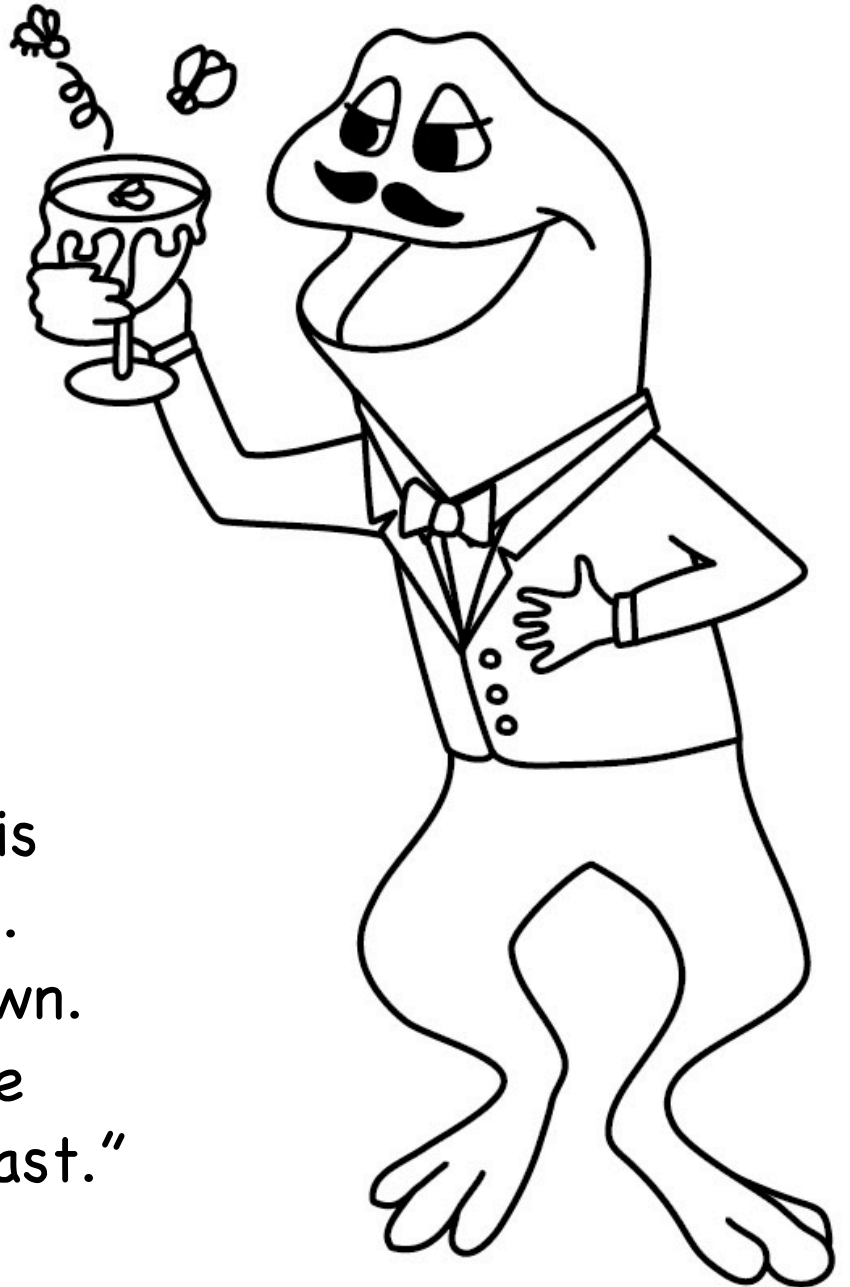

Yoast and Flow were big toads. They wed on a lake. Yoast had on a black coat. Flow had on a snow white dress. Yoast gave Flow a kiss. Then, Yoast made a toast.

"Flow is the best  
toad in the land,"  
said Yoast.

"Flow is very  
sweet. She  
glows like the  
sun.

Plus, she  
gave me a big,  
black roach."  
Next, Flow gave  
a toast. "Yoast is  
such a fine toad.  
He does not grown.  
And he can make  
the best bug roast."

Yoast and Flow made a home on a big, green pad. They have lots of fun together. They roam on the lake and catch bugs. When the sun sets, they croak and croak. The End.
